STATUS INQUIRY

Sir:

On August 10, 1998, a first Office Action dated the same was issued in the above-referenced Application.

On April 29, 1999, the undersigned attorney received a Notice of Abandonment from the Patent Office in connection with the above-referenced Application. As a result of a docketing error, the undersigned attorney inadvertently failed to file a Response to this Office Action in a timely manner, and as a result thereof, the above-referenced application was abandoned.

On June 23, 1999, Applicants respectfully requested revival of the above-referenced Application under 35 U.S.C. 1.137(b) which was unintentionally abandoned for failure to respond to Office Action mailed August 10, 1998. Attorney for Applicants indicated that the entire delay to obtain revival of the present Application, from the due date for a reply to the Office Action dated August 10, 1998 until the filing of the Petition and the accompanying Response to Office Action filed June 23, 1999, was unintentional by Applicants and the undersigned attorney. Attorney for Applicants also enclosed the following documents:

- Transmittal Letter Accompanying Filing of Continued Prosecution Application under 37 C.F.R. 1.53(d);
- Response to Office Action;
- TJP, Esq, P.C. Check No. 763 in the amount of \$1320.00 as the Petition Fee due under 37 CFR 1.17(m);
- Authorization to Charge Deposit Account;
- Response To Office Action Mailed August 10, 1998;
- Copy of the Information Disclosure Statement filed in the present Application on August 20, 1998; and
- Certificate of Express Mail (No. EL364974878US) under 37 C.F.R. 1.10 dated June 23, 1999.
